My town

Hi! I'm Harry and I live in Bath, a small and beautiful town in England. There is a river and there are lots of old buildings.

In my street there is a baker's and a chemist's. There is a big park near my house, with a playground and a lake with ducks. I go there with my friends after school.

There isn't a stadium in Bath, but there are two cinemas, a museum and a library. The library is my favourite place: I go there every Saturday.
