Le piramidi di numeri

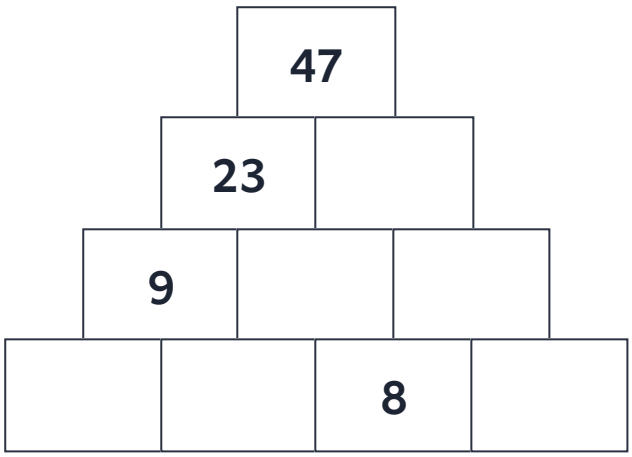

MATEMATICA | 2ª

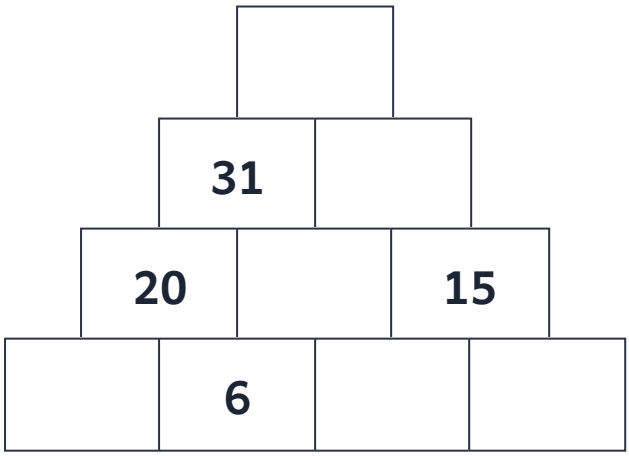

NOME _____

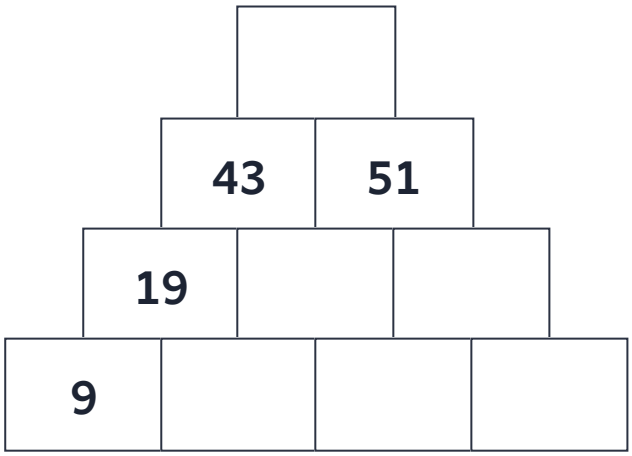

DATA _____

Completa i mattoni vuoti: sopra va la somma dei due mattoni vicini di sotto.

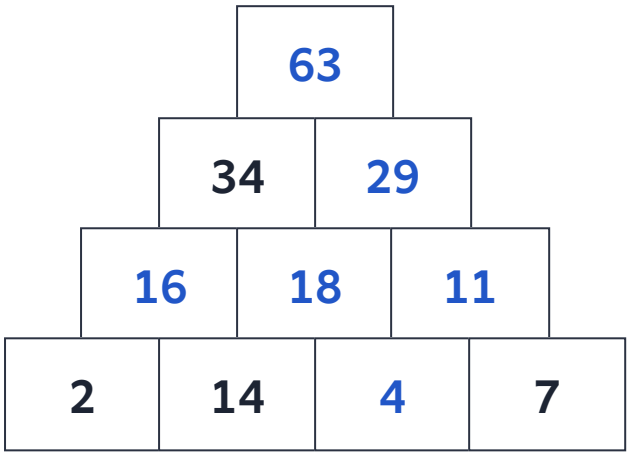

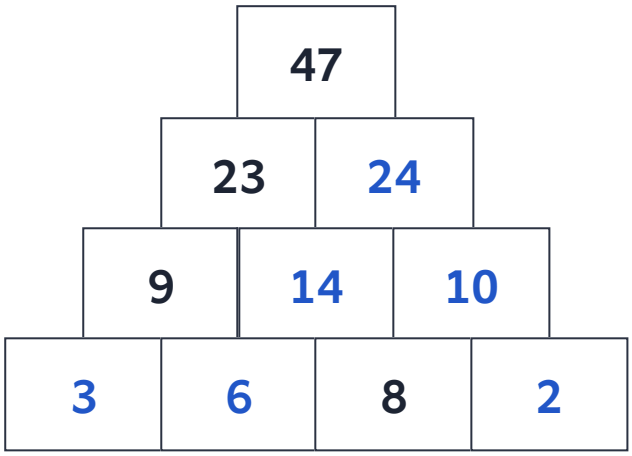

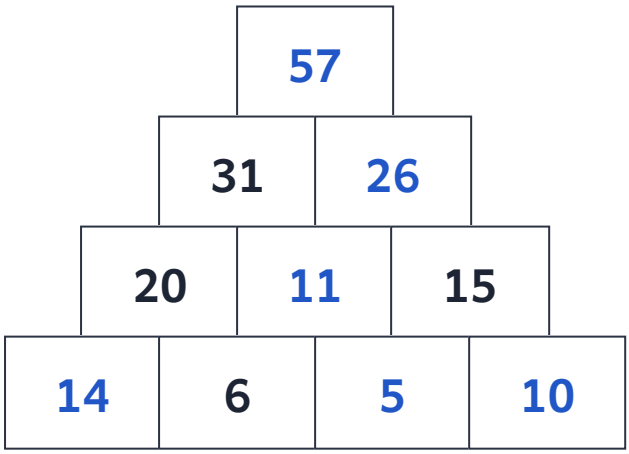

Ogni mattone è la somma dei due mattoni che stanno sotto. Se conosci il mattone sopra e uno sotto, trovi l'altro con la sottrazione.

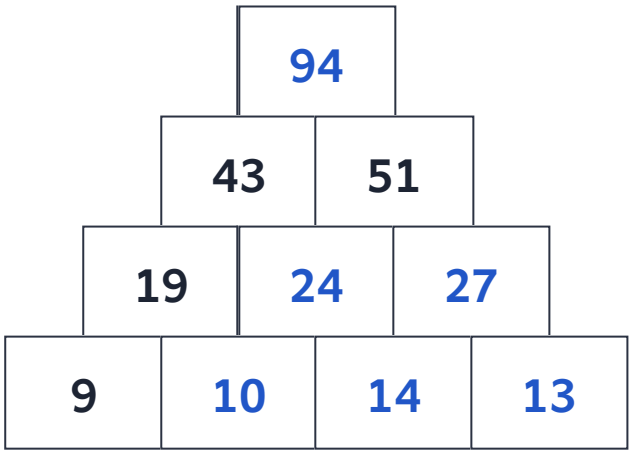

Le piramidi di numeri

SOLUZIONI

Ogni mattone è la somma dei due mattoni che stanno sotto. Se conosci il mattone sopra e uno sotto, trovi l'altro con la sottrazione.
